Priscila Tamang Ghising
Computer Science Engineer

Email : iampris7@gmail.com
Mobile No. : 8250435635

Career Objective :

I have keen interest in problem solving with knowledge of programming languages like C, Java, Data Structure and Algorithm. Along, with these programming skills I am learning Python and Machine Learning. I am seeking an opportunity to implement my skills in a practical application which will give me exposure to the actual design and execution process of industry. I would love to associate with such an organization where I can utilize my skills and gain further experience while enhancing the company's productivity and reputation.

Apart from these, I strongly believe in Management and Leadership skills and I possess an effective communication skill set that would enhance my client's interaction.
